Revoke Certain Privileges-Contract Awarded for Paving-Other Matters.

At the monthly meeting of the Street littee, last night, Mr. Stratton preented the following petition from Colonel John B. Purcell, president of the Chambe

street line.

In the erection of their building they dealer to build on the present line of the building but wish to use the four and a half feet is steps and ornamentations. We also request to be allowed to use three feet of the alley it rear, which is a nineteen-foot alley. The present buildings now occupy the three feet we desire to use.

we desire to use.

Colonel Cutshaw was heard on the subject. He stated that wherever alleys could be reduced to sixteen feet wide he was in favor of it; for if alleys were made too wide they would eventually become streets, and as such they would be too narrow. As a consequence, he was in tayor of the petition.

Stratton moved that the City Engineer

Mr. Straffon moved that the City Engineer and City Attorney draft a suitable ordinance granting the chamber of Commerce their petition.

Mr. Turpin moved that the City Attorney instruct the Street Committee what legal measures are required to deed the property to the Chamber of Commerce. Mr. Stratton's motion was carried.

FOOT BRIDGE. A petition was read from Mr. T. D. Neal,
Jr. asking to be allowed to construct a foot
bridge from Shockee slip to Virginia street,
along a public alley, the steepness of which
prevented him from using it. The matter
was referred to the Ward Committee and
City Engineer.

was referred to the Ward Committee and City Engineer.

A petition was read from the Northside Laud Company, J. M. Fourquean, president; Highland Park Company, N. V. Randolph, president; Journs B. Mosby, and A. Washington, asking that Fifth street be widened from Federal street north, the street from this point being from five to eight lest narrower than the balance of the street.

The matter in reference to the land being condemned on First street so as to allow

"An ordinance providing to the city by the Richmond and Alleghany Radroad Company," approved March 16, 1881.

That the ordinance approved March 16 1881, entitled as above be repealed, and the privileges therein granted are revoked.

LAY OVER A YEAR. If this ordinance goes to the present Council and is passed by both branches, it lays over until a new Council comes in. If it then passes again, the city will have the right to legislate in reference to railroads without having to wait a year, as is now the case. In other roads without having to wait a year, as is now the case. In other words, all privileges which are now enjoyed by rairroads and railways cannot be nelested by the city without the action of two successive Connells. If the above ordinance is passed, the city will then have the right upon the action of one Counc I.

Several members spoke in favor of the ordinance, including Colonel Cutshaw, and it was then ordered to be recommended to the Council.

Mr. Stratton, as chairman of a sub-committee, reported that Mr. E. H. Bissell's pertition for street car privileges be refused. This matter was reported in THE TIMES a few days ago. Mr. Capers stated that Mr. Bissell wishes the matter to be laid on the table. It was so ordered. table. It was so ordered.

MR. ELLYSON'S FUNERAL. Eulogy by Dr. Landrum-Ministers Pres-

The solemnity which alled the spacious ness of the Second Baptist church during the funeral services of the lamented Henry
K. Ellyson yesterday afternoon at 2 o'clock
pervaded the hearts of each individual in
the immense congregation, and the
scene is one long to be remembered.
The church was heavily draped in mourning. The two collossal piliars at the pulpit had the appearance of solid column of
black, while clouds of darkness hung from
almost everylportion of the interiors of the
building. Not a vacant seat was in the house.
The casket, which rested immediately in
front of the pulpit, was covered with flow.

PASSACES OF SCRIPTURE.

Dr. Cooper read several appropriate passages of Scripture, after which the choir sung! "Asleep in Jesus." A beautiful prayer was then offered by Dr. Hoge.

Dr. Landrum preached the funeral sermon, and took his text from Acts, xifi., 35.
"After he had served his own generation by the will of God, fell on sleep." Dr. Landrum compared the life of Mr. Ellyson very aprily to the quotation. He said of him: "It might well be said as of Enoch—he walked with God." Heaven has received him, but it has left behind a cloud of darkness, and the house of praise and prayer has been turned into a house of mourning.

In speaking of the shock he felt on hearing that Mr. Ellyson was dying, Dr. Landrum said: "I thought the foundation of the city was shaken, and I realized that one of the pillars of this temple was fulling."

He said the predominant trait is his

THE TEMPERANCE CAUSE.

GO TO CHURCH.

He begged all who had signed the pledge to attend church to-day. Referring to the tirst Sunday after he had joined the church, he said he did not look as nice that day as he does at the present. "I have changed my tailor since then, thank God." He then gave in a vivid manner his experience on that Sunday, and told how hard it was for him to speak or pray in public, but he said: "The man who is saved from ruin by the grace of God is thoroughly in earnest. You cannot live unless you work. If you don't speak and bear witness of God's love you will die. GO TO CHURCH.

The matter in reference to the land being condemned on First street so as to allow Messrs. Lamb and Barton to construct a viaduct was continued until the next meeting. Mr. Henry I. Willson stating that Mr. Lamb was out of the city.

NEW RAILWAY.

A petition was read from Messrs. J. W. Laube, W. B. Leonard, and associates, which was referred to ward committees. The petition states that the above-named desire is to build and conduct an electric railway along the following roule: A single track, beginning on Belvidere street, at or near the proposed Riverside Park, along Belvidere street to Madison street, thence on Madison to Cary street, thence on tary street to First street, and thence on First street to the city limits, over such viaduct as may now or hereafter be constructed. It is the intention of the petitioners to utilize the storage battery system of electric traction, consequently no overhead wires or poles are asked for.

An ordinance was read from the City Attorney to repeal an ordinance ontified "An ordinance providing for the constructed." The Alert Fire Company will give a support to the city by the Richmond and Alleghany Rail-city by the Richmond and All

Mr. Murphy Still Earnestly at Work in Ita Behalf.

The congregation which greeted Mr. Francis Murphy at his temperance meeting in the Seventh-Street Christian church last night was not so large as it has been during the week, but the meeting was very enthusiastic. The inconvenience of leaving home Saturday night no doubt had much to do with the falling off in the congregation. Only two ministers, Dr. Hall and Rev. Mr. Jefferson, were in the pulpit with Mr. Murphy.

About the same devotional exercises were conducted by Mr. Murphy as at the previous meetings. Speaking of Dr. Hall, he said, "He is a real friend, he is. I only have one tault to find with you people; you are too respectable."
